

## **Play Equipment to re-open following changes to Covid-19 restrictions – Twt Park and Llanblethian**

The community can return to using playgrounds from Monday 20<sup>th</sup> July 2020, following changes in the Government guidelines regarding Covid-19 restrictions, as long as new safety measures are followed.

**Signage will be in place in both the Twt Park and Llanblethian Playing Fields** advising people how to use the play equipment safely. These guidelines include:

- Do not use if you are unwell or experiencing symptoms of Covid-19
- Please keep your hands clean sanitise or wash them
- Wear appropriate face covering if advisable or in accordance with government guidance
- Please stick to social distancing guidelines when using the play equipment and the benches
- No food or drink in the area please
- Please dispose rubbish sensibly
- Supervise your children carefully

This guidance is designed to provide users of playgrounds with practical advice, so they are able to use the equipment in a way that is safe and minimises Covid-19 transmission risk.

**Parents should bring their own hand sanitiser gel or wipes to clean their children's hands.**

Some items of equipment have been adapted to ensure that social distancing is adhered to.

It is recognised re-opening of the Town Council playgrounds will be much appreciated by many families, **but we also need to ensure that we continue to follow the safety measures outlined in order to help keep everyone safe.**

**Thank you for your support and co-operation.**

**C P John on behalf of  
Cowbridge with Llanblethian Town Council**

WE ARE ALL IN THIS

*together*

Please help our community stay safe  
by following the rules
