

MAYORS REPORT MAY/JUNE 2023

Malcolm Wilson

1. Introduction

- 1.1. Since the Mayor making, thank you all those who attended making the event a great success and thanks to Cathy and her team for the hard work put to make the evening go smoothy and manage the cast of thousands who attended.
- 1.2. This report is intended to update members of the activities undertaken by the Mayor since the last Council meeting.

2. Activities since the May Council

- 2.1 Since the Mayor making, I have attended the following events:

- The funeral of the past Mayor Jon Harris, along with 10 other past mayors and I also attended the internment at the Limes cemetery.
- We held the Pride coffee morning on the 3rd June which raised £379 for Llamau and their sister charity Ty Pride. Well done Ian for your hard work organising let's hope the pride week is as successful.

See below some pictures from the event which launched the Cowbridge Pride mascot Cariad the Cow.

- I attended the Cowbridge Amateur Dramatics production of the Alan Ayckbourn's Living Together. Which was sold out most nights and was a very polished production.
- I attended the Bridgend Samaritans 50th anniversary AGM at the invitation of Rowena Harbour who is a trustee.
- I attended the raising of the Pride Flag ceremony yesterday which was attended by a number of people to launch the 2nd Cowbridge Pride week
