

Community Reports Cllr Terry Williams

Dementia Friendly Cowbridge

DFC held their annual open day on Friday 10th November. The event was well attended and judged a success by those who manned the information desks and those who came to find out more about dementia and the kinds of support that are available in the community. The DFC steering committee would like to thank the Town Council for its support and to thank Clair for arranging with the Welsh Class to enable DFC to have use of the lesser hall and kitchen area.

Friendship Club

The members had a harmonious musical afternoon with the local Barber Shop Quartet. They all singers included, all enjoyed the usual afternoon tea. A big thanks to Rotary once again for providing transport. The next meeting is scheduled for the last Thursday of the month when there will be a Christmas theme with opportunities to make something and enjoy a musical quiz.

Vale Probus Club.

At the last monthly meeting we were joined by the Mayor who heard the very talented guest speaker talk about 'Ghostly Tales' This was an apt theme for the day as it was held on 'All Hallows Eve'. The next talk on the 28th of this month will be given by Sight Line Wales.

CMVC

Cowbridge Male Voice Choir has been busy with engagements at Llandaff Cathedral and most recently at Margam Abbey where a substantial amount of money was raised both for the RBS Poppy Appeal and for The Royal Welsh Agricultural Show. Later this month the choir will be singing for Maggie's Charity in Cardiff and in December at Holy Cross Church for the annual Christmas concert.

Cowbridge with Llanblethian United Charity.

The trustees of the charity met last week to agree the support grants for the Christmas period. The trustees welcomed the new Rector Reverend Duncan Ballard to the group and a total of £12,000 was awarded to local people and organisations who qualify for the support.
