Dear Cathy

On behalf of the Master and the members of St Quentin's Lodge, I would like to thank you and all the Town Hall staff for your help and support in getting things back to normal (more or less!) through 2023, the first post Covid year. This is very much appreciated.

Also confirm that our 2024 programme will start with our LOI meeting in the Lesser Hall on Friday 26th January. This is followed by our Installation Ceremony on Friday 2nd February in the Main Hall and includes the Lesser Hall and Robing Room.

Can I also take this opportunity to wish everyone at the Town Hall all the very best for a Happy Christmas and a successful 2024.

Yours Sincerely
Laurence
