

FLAG POLE PROPSAL

After the proposal to utilise the Flag Pole for community-based initiatives was warmly received, I have compiled a comprehensive list of flags that we can hoist to demonstrate our support for these causes.

We are able to offer the community a list on both the notice board and online, along with contact information for support regarding current issues. Additionally, we can welcome the public to suggest additional causes and can update the list every six months.

Certain causes may not have a designated symbol, hence we can make use of the lights in the windows. For instance, we can illuminate the windows with a pink hue to raise awareness for Breast Cancer, or opt for a purple glow on International Women's Day, and so on.

COWBRIDGE WITH LLANBLETHIAN TOWN COUNCIL FLAG

For your consideration, I have created a Cowbridge (Ancient Borough) with Llanblethian Town Council Flag based on the feedback we have received for our own representation.

The flag incorporates the main color palettes from the "*Awn Rhagom*" and "*Quo Majores Ducent*" symbols, and prominently displays these coat of arms as part of the design.

We are proudly displayed as "*Cowbridge (Ancient Borough) with Llanblethian Town Council*," and the flag states our service to Cowbridge, Llanblethian, and Aberthin.

The design successfully combines both traditional and modern elements, reflecting the town's commitment to its roots while also embracing progress and traditional values.

If approved, it will be ready in under 2 weeks.

A CLEARER VIEW OF THE DESIGN

Cowbridge
(Ancient Borough)
with Llanblethian
Town Council

Serving Cowbridge, Llanblethian & Aberthin

FLAGS & LIGHTING

Please note, not all of these events have a flag
