Subject: Biodiversity Grant Scheme Case Study

Dear grants applicant,

I hope you are well, I would like to introduce myself as the new Support Officer for the Local Nature Partnership. I'm getting in touch as part of the criteria of your grants award is to complete a case study, which is required by our funders Welsh Government for reporting on the success of funded projects.

Please could you complete the attached form so we can see how your project has developed and attach a selection of images for us to use in promoting your project and the grants scheme. If you have any consent forms please attach these too.

Please return your completed form via email by Friday 15 December and do let me know if you require any assistance in filling this out.

I look forward hearing from you,

Best wishes,

Louise
