

Community report. April 2025 TLW

Cowbridge Male Voice Choir

The local MVC has had a very busy time with the latest concert in aid of Maggie's charity in Llandaff Cathedral. This was a sell out event which raised a substantial amount of money for this important charity. CMVC were joined by Vox in Frocks a ladies choir from Bath and the Howells Prep School competition choir. The musical director for this occasion was Dr Alwyn Humphreys who had arranged several of the music pieces for the choir. Sandra Williams and Scott Williams accompanied the choir on piano and organ. At the AGM recently it was reported that during the 2024 year the choir raised a whopping £43,000 for charities. The next event is a joint concert with a choir from Taunton followed by a two-concert tour to The Lake District.

Cowbridge Friendship Club.

Members of the club enjoyed some practical activities and some challenging games and quizzes before enjoying a nice afternoon tea. This club offers an opportunity for social interaction for those who don't have the opportunity to get out and about. The local Rotary group are very supportive in providing door to door transport to and from The Galon Centre.
