## General

These Financial Regulations govern the financial management of the council and may only be amended or varied by resolution of the council. They are one of the council's governing documents and shall be observed in conjunction with the council's Standing Orders.

Councillors are expected to follow these regulations and not to entice employees to breach them. Failure to follow these regulations brings the office of councillor into disrepute.

Wilful breach of these regulations by an employee may result in disciplinary proceedings.

In these Financial Regulations:

- 'Accounts and Audit Regulations' means the regulations issued under Section 39 of the Public Audit (Wales) Act 2004, or any superseding legislation, and then in force, unless otherwise specified.
- "Approve" refers to an online action, allowing an electronic transaction to take place.
- "Authorise" refers to a decision by the council, or a committee or an officer, to allow something to happen.
- 'Proper practices' means those set out in *The Practitioners' Guide*
- *Practitioners' Guide* the Governance and Accountability for Local Councils in Wales – A Practitioners Guide jointly published by One Voice Wales and the Society of Local Council Clerks in Wales.
- 'Must' and **bold text** refer to a statutory obligation the council cannot change.
- 'Shall' refers to a non-statutory instruction by the council to its members and staff.

When considering any new activity, the Chief Officer shall prepare a draft risk assessment including risk management proposals for consideration by the council.

**At least once a year, the council must review the effectiveness of its system of internal control, before approving the Annual Governance Statement.**

Regular back-up copies shall be made of the records on any council computer and stored either online or in a separate location from the computer. The council shall put measures in place to ensure that the ability to access any council computer is not lost if an employee leaves or is incapacitated for any reason.

#### Accounts and audit

All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations.

**The accounting records determined by the RFO must be sufficient to explain the council's transactions and to disclose its financial position with reasonably accuracy at any time. They must contain:**

- **day-to-day entries of all sums of money received and expended by the council (documented in the cash book) and the matters to which they relate.**

The accounting records shall be designed to facilitate the efficient preparation of the accounting statements in the Annual {Governance and Accountability} Return.

The RFO shall complete and certify the annual Accounting Statements of the council contained in the Annual Governance and Accountability Return in accordance with proper practices, as soon as practicable after the end of the financial year. Having certified the Accounting Statements, the RFO shall submit them (with any related documents) to the council, within the timescales required by the Accounts and Audit Regulations.

**The council must ensure that there is an adequate and effective system of internal audit of its accounting records and internal control system in accordance with proper practices.**

**Any officer or member of the council must make available such documents and records as the internal or external auditor consider necessary for the purpose of the audit** and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary.

The internal auditor shall be appointed by the council or a committee of the council and shall carry out their work to evaluate the effectiveness of the council's risk management, control and governance processes in accordance with proper practices specified in the Practitioners' Guide.

The council shall ensure that the internal auditor:

- is competent and independent of the financial operations of the council.

- initiate or approve accounting transactions.
- provide financial, legal or other advice including in relation to any future transactions; or

For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as described in The Practitioners Guide.

The Chief Officer shall make arrangements for the exercise of electors' rights in relation to the accounts, including the opportunity to inspect the accounts, books, and vouchers and display or publish any notices and documents required by Accounts and Audit (Wales) Regulations.

The Chief Officer shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

## Budget and precept

**Before setting a precept, the council must calculate its budget requirement for each financial year by preparing and approving a budget, in accordance with The Local Government Finance Act 1992 or succeeding legislation.**

Budgets for salaries and wages, including employer contributions shall be reviewed by the council at least annually in November for the following financial year and the final version shall be evidenced by a hard copy schedule signed by the Chief Officer and the Mayor or Chair of the Finance & Governance Committee.

No later than December each year, the Chief Officer shall prepare a draft budget with detailed estimates of all/income and expenditure for the following financial year along with a forecast for the following three financial years, taking

account of the lifespan of assets and cost implications of repair or replacement.

Unspent budgets for completed projects shall not be carried forward to a subsequent year. Unspent funds for partially completed projects may only be carried forward by placing them in an earmarked reserve with the formal approval of the full council.

In appropriate cases, each committee shall review its draft budget and submit any proposed amendments to the Finance & Governance Committee not later than the end of December each year.

The draft budget with any committee proposals and three-year forecast, including any recommendations for the use or accumulation of reserves, shall be considered by the Finance & Governance committee and a recommendation made to the council.

Having considered the proposed budget and three-year forecast, the council shall determine its budget requirement by setting a budget. The council shall set a precept for this amount no later than the end of January for the ensuing financial year.

**Any member with council tax unpaid for more than two months is prohibited from voting on the budget or precept by Section 106 of the Local Government Finance Act 1992 and must disclose at the start of the meeting that Section 106 applies to them.**

The Chief Officer shall **issue the precept to the billing authority no later than the end of February** and supply each member with a copy of the agreed annual budget.

The agreed budget provides a basis for monitoring progress during the year by comparing actual spending and income against what was planned.

Any addition to, or withdrawal from, any earmarked reserve shall be agreed by the council.

## Procurement

**Members and officers are responsible for always obtaining value for money.**

Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.

The RFO should verify the lawful nature of any proposed purchase before it is made and in the case of new or infrequent purchases, should ensure that the legal power being used is reported to the meeting at which the order is authorised and also recorded in the minutes.

Every contract shall comply with the council's Standing Orders and these Financial Regulations, and no exceptions shall be made, except in an emergency.

**For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Procurement Act 2023 and the Procurement (Wales) Regulations 2024 or any superseding legislation ("the Legislation"), must be followed in respect of the tendering, award and notification of that contract.**

Where the estimated value is below the Government threshold, the council shall except for items listed in paragraph 5.12 obtain prices as follows:

For contracts estimated to exceed £60,000 including VAT, the Chief Officer shall {seek formal tenders from at least [three] suppliers agreed by [the council]} OR {advertise an open invitation for tenders in compliance with any relevant provisions of the Legislation}. Tenders shall be invited in accordance with Appendix 1.

**For contracts estimated to be over £30,000 including VAT, the council must comply with any requirements of the Legislation<sup>1</sup> regarding the publication of invitations and notices about the award of contracts.**

For contracts greater than £3,000 excluding VAT the Chief Officer shall seek at least 3 fixed-price quotes.

Where the value is between £1,000 and £3,000 excluding VAT, the Chief Officer shall try to obtain 3 estimates which might include evidence of online prices, or recent prices from regular suppliers.

For smaller purchases, the Chief Officer shall seek to achieve value for money.

**Contracts must not be split to avoid compliance with these rules.**

The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes.
- ii. repairs to, or parts for, existing machinery or equipment.
- iii. works, goods or services that constitute an extension of an existing contract.
- iv. goods or services that are only available from one supplier or are sold at a fixed price.

When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a

recommendation to the council {or relevant committee}. Avoidance of competition is not a valid reason.

The council shall not be obliged to accept the lowest or any tender, quote or estimate.

Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- the Chief Officer, under delegated authority, for any non-specific items up to £3,000 excluding VAT.
- the Chief Officer, in consultation with the Mayor or Chair of the Finance & Governance Committee, for any non-specific items between £3,000 and up to £5,000 excluding VAT.
- a duly delegated committee of the council for all items of expenditure within their delegated budgets for non-specific items between £5,000 and £15,000 excluding VAT.
- in respect of grants, the Finance & Governance Committee within any limits set by council and in accordance with any policy statement agreed by the council.
- the council for all non-specific items over £15,000.
- For one off specific item identified in the budget provided the quote is within the budget the Chief Officer under delegated authority can authorise.

Such authorisation must be supported by a minute in the case of council or committee decisions or other auditable evidence trail.

No individual member, or informal group of members may issue an official order {unless instructed to do so in advance by a resolution of the council} or make any contract on behalf of the council.

No expenditure may be authorised that will exceed the budget for that type of expenditure other than by resolution of the council {or a duly delegated committee acting within its Terms of Reference} except in an emergency.

In cases of serious risk to the delivery of council services or to public safety on council premises, the Chief Officer may authorise expenditure of up to £5,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether there is any budget for such expenditure. The Chief Officer shall report such action to the Chair as soon as possible and to the council as soon as practicable thereafter.

No expenditure shall be authorised, no contract entered, or tender accepted in relation to any major project, unless the council is satisfied that the necessary funds are available and that where a loan is required, Welsh Government borrowing approval has been obtained first.

An official order or letter shall be issued for all work, goods and services above £500 excluding VAT unless a formal contract is to be prepared, or an official order would be inappropriate. Copies of orders shall be retained, along with evidence of receipt of goods.

Any ordering system can be misused and access to them shall be controlled by the Chief Officer.

The council's banking arrangements, including the bank mandate, shall be made by the RFO and authorised by the council; banking arrangements shall not be delegated to a committee. The council has resolved to bank with Lloyds. The arrangements shall be reviewed every seven years for security and efficiency.

The council must have safe and efficient arrangements for making payments, to safeguard against the possibility of fraud or error. Wherever possible, more than one person should be involved in any payment, for example by dual online authorisation. Even where a purchase has been authorised, the payment must also be authorised, and only authorised payments shall be approved or signed to allow the funds to leave the council's bank.

All invoices for payment should be examined for arithmetical accuracy, analysed to the appropriate expenditure heading and verified to confirm that the work, goods or services were received, checked and represent expenditure previously authorised by the council before being certified by the RFO. Where the certification of invoices is done as a batch, this shall include a statement by the RFO that all invoices listed have been 'examined, verified and certified' by the RFO.

Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of employment) may be summarised to avoid disclosing any personal information.

All payments shall be made by online banking, in accordance with a resolution of the council or duly delegated committee or a delegated decision by an officer, unless the council resolves to use a different payment method.

The Chief Officer shall have delegated authority to authorise payments only in the following circumstances:

- ii. payments of up to £5,000 excluding VAT in cases of serious risk to the delivery of council services or to public safety on council premises.
- iii. any payment necessary to avoid a charge under the Late Payment of Commercial Debts (Interest) Act 1998 {or to comply with contractual terms}, where the due date for payment is before the next scheduled meeting of [the council], where the Chief Officer certify that there is no

dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of council {or finance committee}.

The approval of the use of each variable direct debit shall be reviewed by Finance & Governance Committee at least every two years.

Payment may be made by BACS or CHAPS by resolution of Finance & Governance Committee provided that each payment is approved online by two authorised bank signatories, evidence is retained, and any payments are reported to [the council] at the next meeting. The approval of the use of BACS or CHAPS shall be renewed by resolution of the council at least every two years.

If thought appropriate by the council, regular payments of fixed sums may be made by banker's standing order, provided that the instructions are signed or approved online by two members, evidence of this is retained and any payments are reported to council when made. The approval of the use of a banker's standing order shall be reviewed by the council at least every two years.
